

This 19 day of March 1837

I personally came Geo W Starkins do the said Inf.  
He owes the Government for 1 Blanket and 1 pair Hay  
and one yard domestic blanket at San Antonio  
during the Siege, other things since battle San Jacinto  
that he neither for himself or any other person  
owes for any thing else. to the Government of the  
Republic that he has, nor encamped taken or retained  
any arms munitions or any other thing belonging  
to the Government or in any way caused the same  
to have been done by any other person and that the  
Anexed discharge is original just and true  
before you for delivery at San Antonio And  
I further say that in way and tell the price of the  
discharge he received

of W. Harlow
